Response To Restriction Requirement

REMARKS

This communication is in response to the Office Action of November 6, 2006 wherein three groups of invention were identified and election of a single group was required. In response, Applicants provisionally elect species I, corresponding to claims 1-26.

Applicants note however that in addition to those species identified in the Office Action as corresponding to specific figures depicted in the Application, additional species may exist which are described in the specification and claims and which are not subject to the restriction requirement identified by the Office Action.

Conclusion

In view of the foregoing election, allowance of the present application with claims 1-26 is requested.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
